Re: Third Quarter FY 95; DERP-FUDS Quarterly Reports

Attached are the quarterly report for the DERP-FUDS I am responsible for at the IEPA. These sites include Camp Grant Rifle Range, Willow Springs Test Cells, Hanna City Air Force Station, Garfield Naval Weapons Plant #84, Lincoln Ordinance Plant, Sangamon Ordinance Plant and seven Nike sites. Please note that the IEPA Project Management duties for Camp Grant Rifle Range, Nike Site SL-40, Lincoln Ordinance Depot and the Sangamon Ordinance Plant are no longer mine and have been given to Andrew Jankowski.
